

None of the six went under contract within two weeks.
Three of the six sold at or above their final list price.

Hudson County MLS sales as shown on Zillow, October 1, 2026. Sales as they closed, without adjustments. Condition, measured finished living area and a common area basis have not been reconciled; tax building area is not measured finished living area. Lot dimensions and any price or time adjustments still need confirmation.

2. YOUR ESTIMATED PROCEEDS

Three sale-price scenarios, not a recommendation.
Change any price or cost in the worksheet or calculator.

Before mortgage payoff. Enter your payoff in the worksheet or calculator once you know it.
Prorations, repair credits, seller concessions and other liens are not included.

Standard RTF scenario shown. Leave the reduction off unless eligibility is confirmed. Use the visible partial-exemption checkbox in the calculator, or the worksheet's Reduced RTF eligibility cell, only after confirming eligibility. Senior, blind or disabled owner-occupants may qualify under the [NJ RTF-1 conditions](#). Veteran status alone does not provide this RTF reduction; annual property-tax benefits are separate. Full exemptions are separate and require attorney review. Your attorney and lender confirm the final figures.

3. SHOWINGS AND UPDATES

You are covered two ways: a person who knows your home, and a showing service that never closes.

Pranvera Mamudi

Our seller's assistant, available 8 AM to 8 PM, seven days a week.

Call [201-381-1195](tel:201-381-1195) or email pran@thegonnelligroup.com

ShowingTime

Open 24 hours, 7 days a week.

Handles every showing request and its follow-up.

1 A buyer's agent asks to show your home

The request goes to ShowingTime, day or night.

2 You confirm, your way

Call, text or email, whichever you prefer. Each owner can pick their own, and confirmed showings can go straight onto your calendar.

3 Showing day

An agent running late, or a question about the visit? ShowingTime answers at any hour.

4 Feedback comes to you

After each showing the buyer's agent gets a short survey on interest, price and condition. Their answers come to you. If an agent does not answer, Pranvera follows up.
