

41 Elizabeth Ct

41 Elizabeth Ct, Secaucus, NJ 07094

Everything here is a starting point for Friday. The sales are shown as they closed, without adjustments. We will decide on a range together.

1. What has sold near you

Six sales I selected from the Hudson County MLS, closed between Feb 14, 2025 and Jan 29, 2026, from \$720,000 to \$825,000. The numbers on the map match the table.

ADDRESS	SOLD	PRICE	FINAL LIST	SOLD VS. LIST	DAYS TO CONTRACT	BD / BA	LOT	STYLE
1. 17 Arn Terrace	Sep 16, 2025	\$720,000	\$719,000	100.1%		2 3 / 2	57 x 95	Ranch
2. 1137 Stonewall Lane	Oct 20, 2025	\$735,000	\$725,000	101.4%		12 3 / 1	50 x 118 (approx.)	Raised Ranch
3. 1026 Gillis Pl	Aug 18, 2025	\$750,000	\$749,000	100.1%		14 3 / 2	50 x 100	Ranch
4. 3 Allen Terrace	Feb 14, 2025	\$770,000	\$750,000	102.7%		34 3 / 2	54 x 100	Ranch
5. 34 Elizabeth Ct	Dec 23, 2025	\$775,000	\$775,000	100.0%		7 2 / 2	52 x 98	Ranch
YOUR STREET								
6. 4 Gail Pl	Jan 29, 2026	\$825,000	\$825,000	100.0%		40 3 / 3	97 x 65*	Colonial

Four of the six went under contract within two weeks. All six sold at or above their final list price.

Days to contract is the listing's own days on market before it went under contract. Living area is not published in the MLS for these six. 3 Allen Terrace is the oldest sale, Feb 14, 2025. Hudson County MLS, selected by Michael on September 4, 2026.

* 4 Gail Pl lot from the Secaucus tax record, Block 174 Lot 13 (NJPropertyRecords, fetched September 7, 2026); the MLS listing carries no lot size.

2. Your estimated net at three prices

Sale-price scenarios, not a recommendation. Every line is set by the sale price except the attorney fee and the certificate, so the price is what moves your net.

ITEM	\$750,000	\$775,000	\$800,000
New Jersey transfer fee	\$6,775	\$7,040	\$7,305
My compensation (4%)	\$30,000	\$31,000	\$32,000
Attorney fee	\$1,500	\$1,500	\$1,500
Smoke and CO certificate	\$200	\$200	\$200
Estimated proceeds before mortgage payoff	\$711,525	\$735,260	\$758,995

Estimates for planning, not a closing statement. The transfer fee follows the New Jersey Division of Taxation standard schedule in effect since July 10, 2025; a reduced schedule applies if a seller is 62 or older, legally blind or disabled and lives in the home. If you have a mortgage, the payoff comes off these figures; the worksheet and the calculator both take it as an input. Your attorney and lender confirm the final numbers at closing.

3. Pricing to the first two weeks

I usually recommend a range rather than one number. Listing at the lower end of the range brings more buyers through the door in the first two weeks, which is what produces competing offers and a sale above asking. Starting high to leave room to negotiate usually does the opposite: fewer showings, more days on the market, then a price cut. The opening price matters more than any later adjustment.

Four of the six went under contract within two weeks.

4. How I would market 41 Elizabeth Ct

- Professional photography, exterior and interior, before the listing goes live.
- Drone video of the house and the block.
- A 3D walkthrough, so buyers can tour the home from their phone before they ask to see it in person.
- Posts on our social accounts at launch, when it goes under contract, and when it sells.

5. Showings and updates

Pranvera Mamudi is your seller's assistant from the day we list. She is available Monday through Friday, 9 AM to 6 PM, and on weekends while a contract is being negotiated. Call 201-381-1195 or email pran@thegonnelligroup.com.

Showings run through ShowingTime, a 24-hour scheduling service. Each request, confirmation and piece of buyer feedback is sent to you as it comes in.
